

Offsite Worker Form (CA pay data reporting)

This form is not required by Cast & Crew and is provided for your convenience.

The employee listed below is entirely remote, teleworking, or home-based, and has no expectation to regularly report in person to a physical establishment to perform work duties for the identified project. This employee will be identified as an offsite worker (referred to as a "remote worker") **solely for purposes of California pay data reporting**. More information is available at the [CA Pay Data Reporting FAQ](#).
